## COMPLIMENTARY LUXURY LISTING AD PROGRAM

NEW FOR 2019: The complimentary Sunday Milwaukee Journal-Sentinel listing ad program, going live this Summer, allows RE/MAX agents to feature their Collection listings in Wisconsin's most read newspaper - at no cost!

A single issue of the Sunday Journal-Sentinel reaches over 180,000 readers each week, with unmatched reach in one of the most prestigious papers in the Midwest. Biweekly full-color half-page ads run from late Summer through late Autumn, featuring Collection properties from all over Wisconsin.

Submissions should include:

- MLS listing number
- City/town name
- Listing price
- Listing agent name AND phone number
- Hi-res photo of the property

We invite Collection agents to send their luxury listings (or questions/concerns) to Regional Marketing Manager John Khatcherian ([jkhatcherian@remaxintegra.com](mailto:jkhatcherian@remaxintegra.com)) every Monday, to be taken into consideration for inclusion in the following Sunday's Journal-Sentinel.
